Regional Youth Leadership is a program for Northern Kentucky/Greater Cincinnati area high school juniors who demonstrate leadership potential and a strong commitment to community service. The goal of the program is to inform, motivate, and increase the students' awareness of complex issues and challenges facing our area by using the community as a classroom and interacting with community decision makers. Members of this select group participate in monthly sessions to explore such topics as diversity, law, leadership, health, finance, arts & culture, local government, economic development, criminal justice, and perform community service activities. The program is now in its 15th year. Our goal is to continue to grow the resources so that we can provide the highest quality program possible to our community's most important resource... our future leaders!
